November 10!**

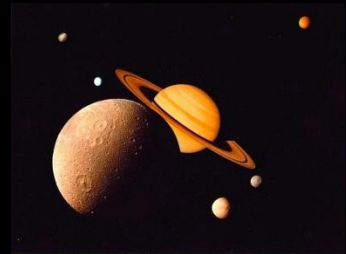

It's not too early to start your Holiday shopping!
Check out the gorgeous floral arrangements by Karen Miller
of Farmington's Ivy & Twigs.

Karen will be on hand to answer decorating questions and will
hold a variety of demonstrations throughout the day.

It's a "Star Party!"

The St. Louis Astronomical Society will be at Weingarten Vineyard Saturday, November 10, starting at 6:00 pm.

SLAS volunteers will be on hand to answer questions and point out various constellations, stars, and planets. Several satellites passing overhead should be visible, as well as the Milky Way with its many nebula and star clusters. Our nearest neighbor, the Andromeda Galaxy, can often be seen too!

Because telescope viewing opportunities are limited, reservations are preferred. (A \$3 per person donation to SLAS is requested).
